**Majesty's Navy and Royal Marine Force, that they cannot receive their Half-pay for any period during which they may be absent from this kingdom without their Lordships' leave; and that Officers who may wish to remain abroad beyond their original leave, should take care to apply for a renewal thereof in due time, so that such application may be received at this Office prior to the expiration of the former leave, as (unless very special circumstances can be stated in any particular case) no Half-pay can be paid for any period of absence abroad which shall not be covered by their Lordships' leave.**

All applications, either for original leave, or for a renewal thereof, whether made through agents or otherwise, must be written by the Officer himself, and addressed to the Secretary of the Admiralty.

This regulation will take effect from this date, with regard to all Officers hereafter applying for leave; and from the First of January next, with regard to Officers now abroad on the Continent of Europe or North America; and after the First of July, 1822, with regard to Officers in other parts of the world.

Nothing herein contained is to authorize any Officer to draw for Half-pay who is not now entitled by Law to do so.

B.*, am desirous of partaking in the Advantages, with the Risks attendant thereon, arising out of the Conveyance of Freight of Treasure in any of the Ships or Vessels in the Squadron, [or, in the particular Ship, as the Case may be]; And I hereby engage to make good to the Captain or Captains, Officer or Officers, commanding such Ships or Vessels respectively [or, Ship or Vessel, as the Case may be], such Part of any Loss or Damage for which he or they may be liable in respect to the Gold, Silver, Treasure, or other Articles so carried on Freight, and which he or they respectively shall have actually paid and satisfied, as shall be in proportion to the Share or Interest in the said Freight Money to which I may be entitled;

And that such Share or Shares of the Admiral or Admirals as aforesaid, to which he or they shall be entitled on the Conditions herein-

before expressed, shall go and belong to the Captain or Officer commanding the Ship or Vessel in which the Gold, Silver, Treasure, or other Articles shall be carried on Freight as aforesaid.

That in the Event of Loss or Damage happening to the Gold, Silver, Jewels, or other Articles so received on Freight, exceeding the total Freight Money, Greenwich Hospital shall not be entitled to receive any Sum on account of such Freight; and in Cases in which the Loss may not amount to the Whole of the Freight Money, Greenwich Hospital shall be entitled only to its Proportion of the Balance of Freight Money over and above such Loss or Damage.

That Commodores, with Captains under them, and Captains of the Fleet, are to be considered, agreeably to the Rules of the Service, as Flag Officers; and Commodores, without Captains under them, shall, with respect to Freight, be also considered as Flag Officers when in the Command of a Station.

That the Captain or Officer commanding, on receiving any Treasure on board any of His Majesty's Ships or Vessels, shall transmit to the Senior Flag Officer, when such Captain or Officer commanding shall be under a Flag Officer, and in every Case to the Treasurer of Greenwich Hospital, and to the Secretary of the Admiralty, a Return of the Amount of such Treasure, and of the Freight paid or to be paid thereon.

That when the Treasure shall, during the Voyage, be transhipped into One or more Ships, the Freight shall be divided, *pro rata itineris*, among the Admirals and Captains who may be entitled to share therein, according to the Services performed by the different Ships respectively; and if any difficulty or Dispute shall arise respecting such Division or Distribution, any party interested therein may refer the same to the Lords Commissioners of the Admiralty; and the Decision or Orders of the Lords Commissioners of the Admiralty, or any Three of them, as to such Division or Distribution, shall be final and conclusive thereon.

That, in order to prevent any Doubt or Misunderstanding as to the Rate or Distribution of Freight on Gold, Silver, Jewels, or other Articles as aforesaid, received on board Flag Ships, or any other of His Majesty's Ships and Vessels, and to prevent any private Agreements inconsistent with these Regulations, all Flag or other Officers are expressly forbidden to receive on board any of His Majesty's Ships or Vessels any Gold, Silver, Jewels, or other Articles as aforesaid, upon any Agreement or Condition different from these Regulations, or to take, demand, or receive any Sum, other than those established by these Regulations.

That these Rules and Regulations shall be in force from the Day on which they shall be received by His Majesty's Officers, and be thenceforward taken and understood to be the established Rule and Custom of His Majesty's Naval Service, on the several Particulars to

which they refer, till they shall be revoked or otherwise altered by any Proclamation or Proclamations to be issued by Us.

Given at the Court at *Carlton House*, this Twelfth Day of *July*, One Thousand Eight Hundred and Nineteen, in the Fifty-ninth Year of His Majesty's Reign.

GOD SAVE THE KING.

(Circular to the Naval Commanders-in-Chief.)

Admiralty Office, 29th May, 1821.

SIR,—My Lords Commissioners of the Admiralty having had under their consideration a question relative to the Freight Money to be allowed for treasure deposited on board his Majesty's ships for custody only, have decided that freight for such a deposit should be paid as if such deposit were a conveyance from one place to another within the same station, and shall be divided (where it has been on board more than one of His Majesty's ships) among the Captains, as freight for conveyance would have been;—in all cases *Greenwich Hospital* is to have a share; and where, after any such deposit, new bills of lading, or new orders for conveyance, either on board another ship or the same ship, shall be made, the freight established for such conveyance by the Order in Council is to be charged, over and above the freight which might be already due on the score of deposit.

I have it in command from their Lordships to acquaint you therewith for your information and guidance.

I am, &c. J. W. CROKER.

Admiralty Office, July 1st, 1824.

His Majesty has been pleased, with a view to encourage and improve the Class of Persons intended to rise to the situation of Masters in the Royal Navy, to direct that a Class of Young Gentlemen intended for this Line shall be established under the title of *Volunteers of the Second Class*, ranking immediately after *Volunteers of the First Class*, with a Pay of £1.12s. per Month.

As it is intended that these *Volunteers* should be Persons of Education and Attainments in such branches of Science as are connected with Navigation, Boys brought up at *Christ's Hospital*, or the *Upper School of Greenwich*, are to be considered as at once eligible to this Class, and Captains and Commanding Officers are authorized to appoint any such Boys to this rating.

If, however, any other Boys should offer for these situations, of adequate acquirements and abilities, the Captain or Commanding Officer will state the Name, Birth, Age, and Education of such Boy to the Secretary of the Admiralty, for their Lordships' sanction to his entry as a Volunteer of the Second Class.

His Majesty has been further pleased, in the same view, to establish a superior Class of Petty Officers, under the name of *Masters Assistants*, to rank immediately after the *Midshipmen*, with a Monthly Pay of £1.11s.

These Officers are to be nominated by the respective Captains (except where the Lords Commissioners of the Admiralty may give special directions,) from the number of *Volunteers of the Second Class*, who may have served Two years as such, or from any other Class, if the Person have the necessary information and acquirements, and shall have served in the Navy Three Years; but in case of any selection not made from the *Volunteers of the First or Second Classes*, or *Midshipmen*, the special

case, with the Name, Birth, Age, and Qualification of the Party is to be reported to the Secretary of the Admiralty.

*Volunteers of the Second Class*, and *Masters Assistants*, are to be considered on the footing of *Young Gentlemen*, and to mess with the *Volunteers of the First Class*, *Midshipmen*, *Mates*, &c.

If any *Masters Mates*, *Midshipmen*, or *Volunteers of the First Class*, now serving in the Fleet, should be desirous of being rated as *Volunteers of the Second Class*, or as *Assistant Masters*, the Captains and Commanding Officers are authorized so to rate them, agreeably to their respective Services and Qualifications; but *Young Gentlemen* entering into these Classes must observe that (although their Pay be greater, respectively, than that of *Volunteers of the First Class of Midshipmen*) their promotion will (except in extraordinary cases) be confined to the line of *Masters*.

By Command of His Royal Highness,  
J. W. CROKER.To the respective Flag Officers, Captains,

P.S. All such Letters are to be addressed to me "On His Majesty's Service," with the word "Chaplain" written in the left corner.

Admiralty Office, 19th June, 1827.

His Royal Highness the Lord High Admiral, taking into his consideration the importance to His Majesty's Service of that valuable class of men, the Petty Officers of the Royal Navy, and desirous of giving them such encouragement as may render them more respectable in their

own opinion and in that of the Seamen of the fleet in general, has been pleased to make the following regulations:

1. No Petty Officer of either class shall be liable to corporal punishment as long as he is so rated, except by sentence of a Court Martial; but the Captains and Commanders of His Majesty's Ships and Vessels have the same authority as heretofore as to rating and disrating such Petty Officers, agreeably to their conduct and qualifications; and whenever a Petty Officer shall be disrated, it shall be mentioned in the Log Book, with the reason which induced the Captain so to disrate him; and when it shall be done as a punishment, that fact, and the circumstances of the misconduct, shall be also reported in the Quarterly Return of Punishments.

2. Whenever a Ship shall be paid off, such of the Petty Officers as shall desire it, shall be turned over to the Flag Ship at the Port, and borne on her Books as Supernumeraries, with the same Ratings and Pay as in the Ships whence they came, and shall be allowed a reasonable interval of absence on leave, on their due return from which, they will be placed in sea-going Ships, with the same Ratings, and the Pay of the Rate of the Ship to which they shall be respectively appointed.

But in order to entitle themselves to this indulgence, the Men must signify their intention to their Commanding Officers (who are to see that the Men understand the Regulation) before the Ship is paid off, as in the event of their being paid off and going on shore without having accepted it, they will not be afterwards received under this Regulation.

This article does not apply to Mid-shipmen, Master's Assistants, Schoolmasters, Clerks, Masters at Arms, Admiral's Coxswains, Ship's Corporals, or Volunteers of the First or Second Class.

3. The Petty Officers (who have not already a uniform) shall wear a mark of distinction on the upper part of the left sleeve of their jackets, viz.—

Those of the Second Class, an anchor represented in white cloth, and

Those of the First Class, a similar anchor surmounted by a crown.

#### MEMORANDUM.

*Admiralty Office, 11th July, 1827.*

It has been arranged by His Royal Highness the Lord High Admiral, and His Majesty's Secretary of State for Foreign Affairs, that whenever a Captain of one of His Majesty's Ships of War (in which denomination are included Commodores wearing Blue Pendants, and, in writing, to the British Consul

his arrival within the Port at which the Consul resides, the Consul (or Vice-Consul, in Ports where there is a Consul-General) shall take the earliest opportunity of waiting, *in person*, on such Captain, and of affording him any assistance which he may require: And that such Captains shall furnish a Boat to convey the Consuls on board, and land them, on the Consul notifying his wish to have a Boat sent for him.

Commanders are, on their arrival at any such Port, to wait upon His Majesty's Consuls, but they are to be waited upon by Vice-Consuls, according to the foregoing regulations.

It is understood, of course, that both Consuls-Generals and Consuls shall, in all cases, wait upon Flag-Officers, and Commodores wearing a Red or White Pendant, on their arrival at the Port of their Residence, without waiting for any previous communication.

And His Royal Highness commands me to signify the same to the respective Flag-Officers, Commodores, and Captains of His Majesty's Ships, for their information and guidance; and that the Memorandum on this subject, dated 5th March, 1825, is to be no longer in force.

*Admiralty Office, 11th August, 1827.*

His Majesty's Principal Secretary of State for the Colonial Department, having communicated to His Royal Highness the Lord High Admiral the Rules which His Majesty's Government have laid down for regulating the Grants of Land in the Colonies of New South Wales and Van Diemen's Land, to Persons proceeding thither as Settlers, and having acceded to the suggestion of His Royal Highness, that it would be desirable to encourage Officers of the Royal Navy and Marines, of rank not inferior to Captains in the Army, to become Settlers in that Colony, by holding out to them superior advantages, in consideration of their Services; His Royal Highness the Lord High Admiral hereby makes known to the Officers of the Royal Navy and Marines, ranking as above, that the Regulations established by His Majesty's Government for the encouragement of Officers on Half-Pay settling in New South Wales and Van Diemen's Land, are as follows, viz.—

Officers of all ranks on Half-Pay are allowed to emigrate, and are not required to make any Deposit as Security, the intention being, that they shall obtain Grants of Land without Purchase, subject, however, to the Conditions hereinafter specified, viz.

The remission of Quit Rent shall take place for a certain number of years beyond the average period which is prescribed in the case of ordinary Settlers, according to the following Scale:—

Officers of the standing of Twenty Years and upwards, to be exempted from all Quit Rent.

Officers of Fifteen Years standing and upwards, but short of Twenty Years, to be exempted from Quit Rent for the first Twenty Years.

Officers of Ten Years standing and upwards, but short of Fifteen Years, to be exempted from Quit Rent for the first Fifteen Years.

Officers of Seven Years standing and upwards, but short of Ten Years, to be exempted from Quit Rent for the first Ten Years.

No Officer to be eligible under Seven Years' Service, nor any who cannot produce satisfactory testimonials of good conduct and unquestionable character.

In other respects, the Conditions on which the Grants are made, to be similar to those which are now in operation in New South Wales.

The Officer to whom Land is granted, shall enter into a Bond, that he, or his Family, shall reside for at least Seven Years in the Settlement, and the Grant shall not be allowed to be sold by him, until he shall be reported to have expended upon it a Capital equal to half its value, as that value was estimated when the grant was made.

For instance, supposing the Grant to be Two Hundred Acres, at the estimated value of 5s. per Acre, the individual will not be allowed to sell it until he shall be reported to have expended 25*l*. upon it. In the event, however, of his death taking place before the expenditure of Capital already alluded to, the Grant will be continued to his Heirs, but subject to the fulfilment of the Conditions under which he himself held the Grant.

The quantity of Land to be received by Officers will be in the same proportion to their Capital, as in the case of ordinary Settlers; but until an accurate valuation has been made of the Lands throughout the Colony, and an average price shall be fixed for each Parish, it is not possible for the Colonial Department to fix the quantity of Land which any Individual may be able to obtain in proportion to his Capital.

The quantity of Land to be granted, must depend entirely upon the value which that Land, either from local circumstances, or from its peculiar character, may possess; and this, as must be evident, can only be determined in the Colony.

The Officer who may avail himself of this offer, will be required to provide for his own Passage, and that of his Family, to the Colony.

The ordinary Rates of Passage are the following, as far as can be collected from the best sources of information which have been applied to:

By Command of His Royal Highness,  
J. W. CROKER.

#### MEMORANDUM.

*Admiralty Office, 11th July, 1827.*

It has been arranged by His Royal Highness the Lord High Admiral, and His Majesty's Secretary of State for Foreign Affairs, that whenever a Captain of one of His Majesty's rated Ships of War (in which denomination are included Commodores wearing Blue Pendants, shall signify, in writing, to the British Consul

his arrival within the Port at which the Consul resides, the Consul (or Vice-Consul, in Ports where there is a Consul-General) shall take the earliest opportunity of waiting, in person, on such Captain, and of affording him any assistance which he may require: And that such Captains shall furnish a Boat to convey the Consuls on board, and reland them, on the Consul notifying his wish to have a Boat sent for him.

Commanders are, on their arrival at any such Port, to wait upon His Majesty's Consuls, but they are to be waited upon by Vice-Consuls, according to the foregoing regulations.

It is understood, of course, that both Consuls-Generals and Consuls shall, in all cases, wait upon Flag-Officers, and Commodores wearing a Red or White Pendant, on their arrival at the Port of their Residence, without waiting for any previous communication.

And His Royal Highness commands me to signify the same to the respective Flag-Officers, Commodores, and Captains of His Majesty's Ships, for their information and guidance; and that the Memorandum on this subject, dated 5th March, 1825, is to be no longer in force.

*Admiralty Office, 11th August, 1827.*

His Majesty's Principal Secretary of State for the Colonial Department, having communicated to His Royal Highness the Lord High Admiral the Rules which His Majesty's Government have laid down for regulating the Grants of Land in the Colonies of New South Wales and Van Diemen's Land, to Persons proceeding thither as Settlers, and having acceded to the suggestion of His Royal Highness, that it would be desirable to encourage Officers of the Royal Navy and Marines, of rank not inferior to Captains in the Army, to become Settlers in that Colony, by holding out to them superior advantages, in consideration of their Services; His Royal Highness the Lord High Admiral hereby makes known to the Officers of the Royal Navy and Marines, ranking as above, that the Regulations established by His Majesty's Government for the encouragement of Officers on Half-Pay settling in New South Wales and Van Diemen's Land, are as follows, viz.—

Officers of all ranks on Half-Pay are allowed to emigrate, and are not required to make any Deposit as Security, the intention being, that they shall obtain Grants of Land without Purchase, subject, however, to the Conditions hereinafter specified, viz.—

The remission of Quit Rent shall take place for a certain number of years beyond the average period which is prescribed in the case of ordinary Settlers, according to the following Scale:—

Officers of the standing of Twenty Years and upwards, to be exempted from all Quit Rent.

Officers of Fifteen Years standing and upwards, but short of Twenty Years, to be exempted from Quit Rent for the first Twenty Years.

Officers of Ten Years standing and upwards, but short of Fifteen Years, to be exempted from Quit Rent for the first Fifteen Years.

Officers of Seven Years standing and upwards, but short of Ten Years, to be exempted from Quit Rent for the first Ten Years.

No Officer to be eligible under Seven Years' Service, nor any who cannot produce satisfactory testimonials of good conduct and unquestionable character.

In other respects, the Conditions on which the Grants are made, to be similar to those which are now in operation in New South Wales.

The Officer to whom Land is granted, shall enter into a Bond, that he, or his Family, shall reside for at least Seven Years in the Settlement, and the Grant shall not be allowed to be sold by him, until he shall be reported to have expended upon it a Capital equal to half its value, as that value was estimated when the grant was made.

For instance, supposing the Grant to be Two Hundred Acres, at the estimated value of 5s. per Acre, the individual will not be allowed to sell it until he shall be reported to have expended 25*l.* upon it. In the event, however, of his death taking place before the expenditure of Capital already alluded to, the Grant will be continued to his heirs, but subject to the fulfilment of the Conditions under which he himself held the Grant.

The quantity of Land to be received by Officers will be in the same proportion to their Capital, as in the case of ordinary Settlers; but until an accurate valuation has been made of the Lands throughout the Colony, and an average price shall be fixed for each Parish, it is not possible for the Colonial Department to fix the quantity of Land which any Individual may be able to obtain in proportion to his Capital.

The quantity of Land to be granted, must depend entirely upon the value which that Land, either from local circumstances, or from its peculiar character, may possess; and this, as must be evident, can only be determined in the Colony.

The Officer who may avail himself of this offer, will be required to provide for his own Passage, and that of his Family, to the Colony.

The ordinary Rates of Passage are the following, as far as can be collected from the best sources of information which have been applied to:

His Royal Highness the Lord High Admiral desires that Officers, or other persons, having occasion to transmit Certificates and other Documents either to His Royal Highness, his Council, or his Secretaries, will not send the *original* Certificates or Documents, but only *copies* thereof, which copies will remain in this Office, annexed to the Letter or Memorial to which they may belong. If, however, the parties shall choose to transmit their *original* documents, they are to understand that they will not be afterwards returned to them, but retained in this Office for the purpose aforesaid.

#### REGULATIONS TO BE OBSERVED BY OFFICERS ATTENDING THE ROYAL NAVAL COLLEGE.

The Lords Commissioners of the Admiralty have given directions for the admission of twenty-four Commissioned Naval Officers, (of whatever rank,) who may wish to attend the Professor at the School of Naval Architecture, at Portsmouth, to improve their knowledge in scientific subjects connected with the Naval Service, under the following Regulations, viz.

The Officers (after receiving a warrant from their Lordships) will be admitted to the Room for Study at half past eight o'clock every morning, (except Saturdays and Sundays); and they will be required to be there by three in the afternoon at latest, and to quit the Dock Yard at five in the evening.

During their attendance at the College, the Officers will be expected not to absent themselves (without special leave of absence from their Lordships) more than one lecture day in a fortnight, except in case of sickness; and the Lieutenant-Governor of the College will make a monthly report to the Admiralty of the days and hours of the Officers' attendance, &c., with any remarks that he or the Professor may think right to add.

They will be allowed to remain at the College one year, if they so wish, when they will be discharged to make room for others; or they may be discharged, if they desire it, at any earlier period; but after having been discharged they will not be eligible for future admission.

In order that the Course of Lectures may not be interrupted, Officers will not be admitted at

broken periods, but only at the commencement of each half year immediately after the Christmas and Midsummer Vacations.

The Professor and First Mathematical Master of the Royal Naval College will attend from two o'clock in the afternoon to half past four, during one hour of which time the Professor will give Lectures on such subjects as he may select as likely to prove most useful to the Officers in attendance.

The Officers are to provide, at their own expense, such Books, Instruments, &c., as may be required for their own personal use; and they will also form a Mess at Portsmouth, or otherwise arrange for their Board and Lodging in the town as they may deem proper, it not being intended that the Public shall incur any expense for them under either of these heads.

Officers desirous of being admitted after the next Vacation, are to make application to the Secretary of the Admiralty before the expiration of the Vacation.

By Command of their Lordships,  
J. W. CROKER.

*Admiralty Office, 15th February, 1830.*

The Lords Commissioners of the Admiralty being desirous to extend the benefit of the Marine Surveys which have been made for the use of His Majesty's Navy, more generally among the Mercantile Shipping of the Empire, have appointed Mr. R. B. Bate, 21, Poultry, London, to be their Lordships' agent for the sale of all Charts, Plans, Views, and Sailing Directions, which are published under their Lordships' orders; and he has been directed to employ proper sub-agents at the principal sea-ports for the same purpose.

All corrections, arising from surveys in progress, will be notified to the agent for immediate insertion, so that the Charts and Directions in his hands will always contain the most recent and authentic information.

Catalogues may be had at the agent's, stating the prices which have been authorised by their Lordships.

#### REGULATIONS FOR THE ENTRY AND RATING OF YOUNG GENTLEMEN ON BOARD HIS MAJESTY'S SHIPS AND VESSELS ON THE PEACE ESTABLISHMENT.

*Article 1.*—No person is hereafter to be entered or rated as Volunteer of the First Class but by special Order of the Lords Commissioners of the Admiralty.

*Art. 2.*—The Captains and Commanders of His Majesty's Ships and Vessels are to select and enter the established number of Mates, Midshipmen, Masters' Assistants, and Volunteers of the Second Class, on the first commissioning of their respective Ships or Vessels, as heretofore, obtaining the previous approval of the Lords Commissioners of the Admiralty.

*Art. 3.*—In cases of re-admission to the Service, a statement, of the date of the original entry into the Service, and of the cause of the last discharge, is to be transmitted to the Secretary of the Admiralty, for their Lordships' information; or, if abroad, to the Commander-in-Chief, whose approval, in the latter case, is to be deemed sufficient to authorise the entry.

*Art. 4.*—No person is, on any account, to be borne under the denomination of "Admiralty Midshipman," except by their Lordships' special authority.

*Art. 5.*—A Return from every Ship is to be sent to this Office, through the

several Commanders-in-Chief, of the Mates, Midshipmen, Masters' Assistants, Admiralty and College Midshipmen, College and First and Second Class Volunteers, serving on board the respective Ships and Vessels; and particular care is to be taken that in these Returns, the discharge, entry, or any alterations in the Ratings of persons in any of the said classes, since the date of the preceding Returns, be reported and accounted for; and when a Ship is ordered to be paid off, a similar Return is to be immediately made, distinguishing, in addition to the before-mentioned particulars, the length of Service, and the address or intended residence of each person, and the date at which any Mate or Midshipman shall have passed his examination for Lieutenant.

*Art. 6.*—The respective Captains and Commanders are to be very particular in attending to these Instructions; and they are to take care that on no account whatsoever shall any young Gentleman be serving on board in any other capacity, or under any other Rating, than one of the before-mentioned; and they are therefore to observe, that they are not to disrate Midshipmen, Masters' Assistants, or Volunteers of either Class; but, in case of such serious misconduct as would require disrating, it is to be reported, if on a home station, to the Admiralty; if on a foreign station, to the Commander-in-Chief, or Senior Officer, in order to their being removed from the Service; in any such case the circumstances are to be stated to their Lordships by the first opportunity; but any of the Classes mentioned in the 2d Article, being already in the Service under their Lordships' sanction, may be removed from one Ship to another, in proper vacancies, by authority of Commanders-in-Chief, without reference to their Lordships.

By command of their Lordships,  
J. W. CROKER.

*Admiralty Office, 20th April, 1830.*

The Lords Commissioners of the Admiralty have been pleased to direct that, in cases of Officers neglecting to apply for a renewal of leave of absence, a respite shall not be placed against the Half-Pay of such Officers until the expiration of three months from the period at which their leave shall have terminated.

By command of their Lordships,  
J. W. CROKER.

*Admiralty Office, 7th May, 1830.*

Notice is hereby given to the Medical Officers of the Royal Navy, that Sir Gilbert Blane, Bart., first Physician to his Majesty, and formerly Member of the Board for Sick and Wounded Seamen, with the concurrence and approbation of the Lords Commissioners of the Admiralty, has, for the encouragement of Naval Medical Science, and the excitement of an emulation that may conduce to the interests of an important branch of the public service, established a Fund in perpetuity, for the purpose of providing the means of conferring a gold medal, once in every two years, on such Two Medical Officers, whether, *Surgeons*, or *Assistant-Surgeons acting as Surgeons*, as shall produce the most approved journals of their practice, whilst actually serving in King's Ships.

The selection of the journals will, in the first instance, be made by the Medical Commissioners of the Victualling Board, on the 12th of August, 1831, and will consist of not more than ten, nor less than five, of those journals delivered into office between the 12th of July, 1827, and the 12th of July, 1831; and the subsequent selections will be made from those delivered

within the period of every two succeeding years; and the adjudication of the medals will, during the life of Sir Gilbert Blane, be made by him, and will subsequently be vested in the Senior Medical Commissioner, the President of the College of Physicians, and the President of the College of Surgeons, London.

*Admiralty Office, 1st June, 1830.*

By an Act recently passed, 11 Geo. IV. chap. 20, all Letters and Packets sent through the General Post Office to the several departments of the Navy Office and Victualling Office, are allowed to pass free of postage, provided they are respectively addressed as follows:—

To the Commissioners of His Majesty's Navy; or,

To the Commissioners for Victualling His Majesty's Navy:—

But care must be taken not so to address any letters or papers which relate to private business, and are not solely on the public service, as all such are directed by the Act to be forwarded to the General Post Office by the department to which they are so addressed, in order that the parties for whom they are intended, may be charged with the postage.

#### REGULATIONS FOR GRANTING OUTPENSIONS FROM GREENWICH HOSPITAL, TO THE WARRANT AND PETTY OFFICERS HEREIN MENTIONED, AND TO SEAMEN AND ROYAL MARINES.

*Article 1.*—Every Second Master, Assistant-Surgeon (when not entitled to Half-Pay), Gunner, Boatswain, and Carpenter (when not entitled to Superannuation), Mate, Midshipman, Master's Assistant, Schoolmaster, Clerk, and Volunteer of the First or Second Class, who shall be discharged from His Majesty's Service, for wounds or hurts received, or permanent sickness or debility contracted in the Service, and who shall be deemed a fit and deserving object for relief, shall be allowed a Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, of not less than One Shilling, and not more than Two Shillings and Sixpence, *per diem*, according to the bodily injury sustained by the party.

*Art. 2.*—Every Petty Officer not mentioned in the preceding Article, and every Able Seaman, Ordinary Seaman, Landsman, Boy, and every Non-Commissioned Officer, Drummer, and Private of the Royal Marines, who shall be discharged from His Majesty's Service, for wounds or hurts received in Action, shall be allowed a Pension, provided he be deemed a fit and deserving object for relief, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, according to the bodily injury sustained, and with reference to the length of Service and rating of the party.

An Able Seaman or Marine having lost two limbs, or being otherwise so severely wounded as to require the care and attendance of some other person, shall have from One Shilling and Sixpence to Two Shillings *per diem*; but for less injury than the foregoing, and not requiring the care of another person, from One Shilling to One Shilling and Sixpence *per diem*; if able to contribute in a small degree to his livelihood, from Ninépence to One Shilling *per diem*; and if able to contribute materially to his livelihood, though unfit for the Service, from Sixpence to Ninépence *per diem*.

In fixing Pensions under this Article, the lowest or highest or any intermediate rate is to be taken, according to the length of service and

character of the claimant, and the circumstances (if any are stated) relating to his conduct at the time he was wounded.

**Art. 3.**—Every Able Seaman or Marine, who, after having served at the least Fourteen Years in the Royal Navy or Marines, shall be discharged for *sickness or debility contracted in the Service*, or for *wounds or hurts* received in it by accident, shall, provided he shall appear a fit and deserving object of relief, be allowed an Annual Pension, either for life or for a limited period, at the discretion of the Lords Commissioners of the Admiralty, calculated on a combined view of his length of service and his bodily infirmity; varying from Sixpence to Ninepence *per diem*; but if the injury be not considered permanent, a conditional Pension only shall be granted.

**Art. 4.**—Every Able Seaman or Marine discharged on any account (except misconduct) after Twenty-one Years' Service, or any greater length of Service, reckoning only from the age of Eighteen, shall receive (subject to all the foregoing conditions) a Pension, varying from Tenpence to One Shilling and Twopence *per diem*, having consideration to whether the party be discharged at his own request or otherwise, to the nature of his services, whether chiefly abroad and in bad climates or otherwise, to his actual state of health and apparent strength, and the number of years he may have served beyond Twenty-one Years.

**Art. 5.**—Any Able Seaman or Marine discharged under Fourteen Years' Service, is not to be deemed entitled to a Pension; but if discharged in consequence of *debility* contracted in the service, and not from want of proper care on his part, may be awarded a temporary Pension (if, on his examination at the Admiralty, he appears to be really in a state to call for it) according to the following scale:—

If his Service exceed Ten Years, a Pension of Sixpence *per diem*, extending from Two to Three Years.

If his Service be under Ten Years, but above Seven Years, Sixpence *per diem*, from One to Two Years.

If his Service be under Seven Years, Sixpence *per diem*, from One Year to Eighteen Months.

And in cases where a Sum, as Gratuity, may be considered more advantageous for the Claimant's Interests than a temporary Pension, a Sum, varying from One Pound to Eighteen Pounds, may be given in full compensation, in lieu of such temporary Pension; and in extreme cases of *injury or debility*, under Fourteen Years' Service, resulting from serving in bad climates, or from severe accidents, the temporary Pension may be increased to Ninepence *per diem*, and renewed from time to time for specified periods, so long as the individual shall continue in a state to demand such special consideration.

**Art. 6.**—In any of the cases in Articles 3, 4, and 5, if any Man shall become *totally blind*, from unavoidable causes clearly attributable to the Service, he shall be allowed a permanent Pension of Threepence *per diem*, in addition to the amount specified in the said Articles.

**Art. 7.**—An Ordinary Seaman shall receive three-fourths, a Landman two-thirds, and a Boy one-half of the Pensions or Allowances hereby assignable to an Able Seaman. Private Marines to be considered as Able Seamen.

**Art. 8.**—The following Petty and Non-Commissioned Officers, in addition to the Rates of Pensions to which they may be entitled under Articles 2, 3, 4, 5, and 6, as Seamen or Marines, shall be allowed for each Year's Service, as Petty or Non-Commissioned Officer, as follows, viz:—

Quartermaster-Serjeants, and Serjeant-Majors, who have served Three Years and upwards, and discharged with those Ratings after Twenty-one Years Service, Twopence *per diem*, in addition to whatever Pensions they may be entitled to.

*Art. 9.*—Persons discharged with disgrace, or for offences, or by sentence of a Court-Martial, are not entitled to any Pension; and all Pensions are granted during good behaviour, and may be forfeited by misconduct on the part of the Pensioner, to be judged of by the Lords Commissioners of the Admiralty; and if any Deserter shall be re-taken, or shall re-enter His Majesty's Service, he shall commence a new time from such re-entry, and shall not be entitled to reckon any time preceding such desertion or running.

*Art. 10.*—All Men invalidated from His Majesty's Service, whether Pensioners or not, who re-enter the Service, must produce their Invaliding Certificates or Pension Tickets, at the time of their re-entry, to the Captain and Surgeon of the Ship, in order that their cases may be fully known; and if they neglect to do this, or do not assign a sufficient reason for not doing so, they forfeit all claim to an increase of Pension for subsequent service.

*Art. 11.*—All claims to Pensions should be brought forward before the expiration of Six Months after the Individual is discharged from His Majesty's Service.

*Art. 12.*—Pensioners who shall not have been discharged as wholly incapable, or for having served Twenty-one years or upwards, or whose age shall not exceed Fifty years, may forfeit their Pensions by neglecting or omitting to attend at such Port or place, and at such time, as shall, in time of War, or in prospect of a War, be appointed for the assembling of the Pensioners by the Lords Commissioners of the Admiralty, or by neglecting or refusing to serve His Majesty in such manner as to the said Lords Commissioners may seem proper, except when such neglect or omission to appear, or such neglect or refusal to serve, shall be accounted for by reasonable excuse, to be admitted by the said Lords Commissioners.

As a further encouragement to good Men to continue in the Service, and to behave with propriety, His Majesty has been pleased to command, that at the expiration of every three years any of His Majesty's Ships shall be in Commission, the Captain or Commander of such Ship may send to the Admiralty the name or names of any Petty-Officer or Seaman, or Non-Commissioned Officer or Private of Marines, (not exceeding in number one for every hundred of the Crew,) who may be on board such Ship, having served *above twenty-one years*, who shall have behaved invariably well in such Ship, and be in possession of Certificates of good conduct throughout his former service, and be in the Captain's opinion in every respect deserving to be so rewarded; when the Person or Persons so reported by the Captain or Commander shall be paid a Gratuity, in addition to all other allowances, of Fifteen Pounds if a 1st Class Petty-Officer, of Seven Pounds if a 2nd Class Petty-Officer, and of Five Pounds if an Able Seaman; but to entitle the 1st Class Petty-Officer to the Fifteen Pounds, he must have served as such Ten years, and to entitle the 2nd Class Petty-Officer to the Seven Pounds, he must have served Seven years as such, otherwise they can only be paid as Able Seamen. And all men receiving the said Gratuity will be afterwards entitled to wear a Silver Medal the size of a half-crown, at the third button-hole of their jackets, having on one side of it the words "For Long Service and Good Conduct," and on the other "an Anchor and Crown."
